

A music task for every day of the week by music teacher Hilari Toropainen

Monday

Make a list of all the songs that mention animals. Listen to your favourites.

Wednesday

Create your own body percussion. Draw the rhythm and teach it to your friends.

Saturday

Play your favourite song to your friend.

Tuesday

Write a postcard to your friend that only includes lyrics and no other text.

Friday

Photocopy the notes to your favourite song. Draw a picture that relates to the song on top of the notes.

Thursday

Pick a familiar song and create new lyrics for it.

Sunday

Say things singing. Perhaps your life could be a musical for a day.
