

A writing task for every day of the week by the Colournaut Annu Autti

Monday

Write sentences in which every word starts with the same sound.

Wednesday

Write five sentences that all have five words of which one is the word green.

Saturday

Invent new names for colours and write a list of things that are that colour.

Tuesday

Write sentences that tell about a colour. Try to make the colour the character to make funny sentences.

Friday

Write a story of your favourite colour.

Thursday

Write a list of red things.

Sunday

Write a story of the time when all the colour took their places in a class photo.
