

HOW TO

# WORK INDEPENDENTLY

Focus on the topic of the lesson.

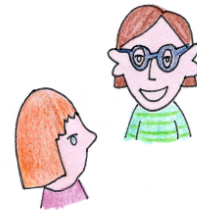

Follow the agreed rules.

When finished, move to the next task.

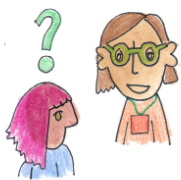

Talk to your partner quietly about the activity, if needed.

Leave any other discussions for outside of class.

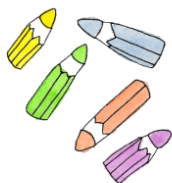

Find a place in class, where you can concentrate.

Ask for help in the agreed manner.

Move around quietly if you need to.

Only take out the resources that you need.

Take responsibility for your own behaviour.
