

# READ and CREATE

Find the things listed below from the book you are reading.

By imitating the language in the book, create your own phrases and sentences.

Don't worry if you can't find something.

The first sentence of the book

A sentence describing something

An interesting noun phrase

A list of things

A sentence with only three words

A long sentence

A sentence with speech marks

A sentence with many adjectives

The last sentence of the book
